- You are a 9 - you'd be a perfect 10 if you were with me.
- You know, the Power company is looking for you coz you're so electrifying.
- How was Heaven when you left it?
- If I had to choose between one night with you or winning the lottery...I would chose winning the lottery...but it would be close...real close...
- I think I can die happy now, coz I've just seen a piece of heaven.
- You must be going to hell, because it is a sin to look that good.
- Excuse me, do you have your phone number, I seem to have lost mine.
- Stare at girl. ("What're you staring at?") You, before I wake up from this dream.
- Was your father a thief? 'Cause someone stole the stars from the sky and put them in your eyes.
- What time do you have to be back in heaven?
